TOPLINE REPORT 2018

DON'T JUST TAKE OUR WORD FOR IT

I'm pleased to say that we're at the Urban Design & Landscaping Expo this year. Fantastic response - we've had a lot of consultants and clients visit us here at our stand. We're hoping if all goes well, we will be here again next year. And we're looking forward to the feedback over the coming months."

I've come all the way from India to attend Urban Design & Landscaping Expo in Dubai. It's a great expo put together because you have the latest technology under one roof. I think it's a superb initiative because I can find exhibitors from all over Europe as well as the local market here in UAE."
